PUBLISHER/EDITOR'S NOTE

It is gratifying to see the growing list of eateries that participate in our quarterly Restaurant

issue. The roster has grown by 20% since we introduced this special edition, three months ago, and that's significant, but there is plenty of room for expansion. When you patronize these establishments, please mention *Routes*, and if you visit a restaurant that ought to be in *Routes*, your recommendation would be most helpful. Remember, the more comprehensive *Routes'* listings become, the more useful the publication is to all of us.

Now for something completely different. We know that subscribers have experienced delivery prob-

lems, and we are trying to iron things out with the Postal Service. If your *Routes* are arriving late, please inform the office of Postmaster Black by calling (212) 330-3084.

The Subscriber Survey. If you are among the many who have responded, please accept our thanks; the information is extremely helpful in our eternal quest for more advertisers. If you have not yet returned your survey form, please do so now.

The Party. From all the feedback attendees have given us, our Anniversary Party at B. Smith's was a roaring success. We wish to thank all who showed up or simply made a contribution — somebody up there is smiling at us.

Finally, remember that we always welcome your comments (favorable or not) and suggestions.
